

## BW App Installation Guide – Mobile Phone Setup

Welcome to BW App, a user-friendly mobile app for Bentel Wireless security systems users. This installation guide includes instructions on installing BW App on your mobile phone.

### Supported Phones

- Android v4.4 and up
- iOS v8 and up

### App Installation

1. Locate the free BW App in one of the following app marketplaces and install it on your mobile device:
  - iTunes
  - Google Play
2. Once installed, click on the BW App icon  on your home screen to open it
3. Confirm this server name: bentel.tycomonitor.com
4. Enter your panel name. Default panel name is the panel ID that can be located on the back of the panel.
5. Please read the end user license agreement (EULA) and approve it
6. Once you have approved the EULA, click Next
7. Enter your user code for the system and click OK
8. The system is ready to work
